

*How to Give &
Receive Advice*

When giving advice:

When receiving advice:

The advice that was given

GIVEN IN A
GOOD MANNER

GIVEN IN A
POOR MANNER

Does it hold some truth?

YES

NO

Say bye to your ego.
Take the advice and
work on it for you and
your Lord. And if you
ever give advice, follow
the Prophetic example
and character!

Ignore it or explain
your situation. And
if you ever give
advice, follow the
Prophetic example
and character!

By time,
Indeed, mankind is in loss,
Except for those who have believed
and done righteous deeds and
advised each other to truth and
advised each other to patience.
